1. Policy information

About your contract of insurance

This policy wording and the **policy certificate** form a contract of insurance between the underwriters, Collinson Insurance and those people specified on **your policy certificate** and must be read together. Please check **your policy certificate** carefully to ensure the cover **you** have purchased meets **your** needs. This contract is only valid when **you** have a valid **policy certificate** and have paid the appropriate premium. Any questions **you** have on cover can be checked online under the Frequently Asked Questions section available at www.postoffice.co.uk/travel-insurance or **you** can talk to a customer services agent on 0330 123 3690.

Both **we** and **you** are entitled to choose the law applicable to the insurance. **We** propose English Law and in the absence of any agreement to the contrary, English Law will apply.

This policy is underwritten by Collinson Insurance. Collinson Insurance is a trading name of Astrenska Insurance Limited which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority. Their Financial Services Register Number is 202846. These details can be checked on the Financial Services Register website www.fca.org.uk

The Gadget Upgrade section of cover is administered by Taurus Insurance Services Limited, an insurance intermediary licensed and authorised in Gibraltar by the Financial Services Commission under Permission Number 5566 and authorised by the Financial Conduct Authority in the UK under registration number 444830.

Cancelling or amending your policy

Please tell **us** as soon as **you** are aware that **your** policy does not meet **your** needs. **You** may cancel within 14 days of the receipt of **your** documentation providing **you** have not started a **trip**, made a claim, or intend to make a claim and **we** will give **you** a full refund. If **you** cancel outside of the 14-day cooling-off period, **no premium will be refunded**. For Annual Multi-trip policies the cancellation period is extended up to the start date of the policy, even if this is over 14 days from the date **you** receive **your** documentation.

However, discretion may be exercised in exceptional circumstances to provide a refund for unused cover, those exceptional circumstances being bereavement or an unexpected change to **your** policy resulting in

us being unable to continue covering **you**, providing **you** have not made a claim on the policy or are intending to make a claim. The unused premium will be calculated on a sliding-scale basis as follows:

Refund scale outside the 14-day cooling-off period for exceptional circumstances only

1. Single-trip policies before travel
75% refund
No refund can be given once a **trip** has started.
2. Annual Multi-trip policies

Number of months policy was live before cancellation	% Refund
1 month	75%
2 months	60%
3 months	50%
4 months	40%
5 months	30%
6 months	25%
7 months	20%
8 months	15%
9 months	10%
10 months	5%
11 months	0%
12 months	0%

We may cancel **your** policy by giving **you** 14 days' notice in writing. If this happens, **we** will refund the unused premium in line with the above scale and advise **you** the reason for the cancellation. Reasons can be (but are not limited to) **you** failing to pay the full and correct premium, or if **you** do not meet the Medical Health Requirements or residential eligibility.

Once **your** policy has been cancelled **your** cover will end and **you** will not be able to make a claim.

Fraud

If a claim is found to be fraudulent in any way, including use of fraudulent means to obtain any benefit, this policy shall become void meaning it no longer exists from the date of the fraudulent claim and the premium paid will be lost. Any benefits received by **you** for any claim found to be fraudulent must be repaid to **us**. **We** may inform the Police or the appropriate authorities of the circumstances and may incur external costs or expenses to investigate the fraud. For any claim found to be fraudulent, **we** may seek to recover such external costs or expenses from **you**.

Residential eligibility

To be eligible to purchase this policy **your home** address must be in the **UK** and **you** must be registered with a General Practitioner in the **UK**.

Renewing Annual Multi-trip policies

Where possible **we** will renew **your** policy automatically to avoid any unintended break in **your** policy cover. **We** will write to **you** approximately three weeks before **your** policy is due to expire to provide **you** with details of the new premium and any changes to the policy terms and conditions. If **you** are still eligible and happy with the renewal information, **you** do not need to contact **us** further. Payment will be taken from the original credit/debit card one week before the renewal date. **We** will remind **you** to tell **us** about any changes to **your** personal circumstances, including any new, or changes to existing, medical conditions. If **you** do not want **us** to automatically renew **your** policy, **you** can turn it off at any point during the policy term. **You** can do this in **your** online account or by calling customer services. Once payment has been taken **you** can still cancel the policy and obtain a full refund, provided **you** contact **us** within 14 days from the date **you** receive the policy documentation and **you** have not made or are intending to make a claim under the renewed policy. Refunds for the unused portion of premium outside the 14-day cooling off period are only available for exceptional circumstances. Policies can be renewed during a **trip**, however, **we** advise **you** avoid this where possible so that **you** have continuous cover in place.

Purchasing after your trip has started

If **you** are travelling solely within the **UK**, **you** cannot purchase a policy after **you** leave **home** to start the **trip**. If **you** are travelling outside the **UK**, then it is possible to purchase a policy up to the point **you** board **your** transportation for **your** international departure. However, cover for Cancellation of **your trip** is not available if **you** are aware of a reason to make a claim at the time of purchase. In this eventuality, **your** claim will not be covered.

Automatic policy extensions

If **you** are unable to return **home** as planned due to a reason covered by this policy, **your** cover will automatically extend until **you** are able to return **home** or until **you** are admitted to a hospital or medical facility in the **UK**.

When **your** return is delayed by an insured reason other than a medical emergency, cover is only extended until travel arrangements can be made to return **home**. All cover will end under this policy if **you** choose not to return **home** as soon as **you** are able to.

When cover starts and ends

Single-trip

From the time of buying this insurance to the time **you** leave **home** to start **your trip**, cover is only available under Cancelling **your trip**. Once **you** leave **home** to start the **trip**, Cancellation cover ends, and all other sections of the policy begin.

Cover under all sections of the policy apart from Cancelling **your trip**, ends:

- At midnight on the end date shown on **your policy certificate** even if **you** have not returned **home**; or
- When **you** return to **your home** address in the **UK** even if this is before **your** booked return date; or
- Upon **your** admission to a hospital or medical facility in the **UK** if **we** are repatriating **you home** under Section 9 Emergency Medical Expenses. Cover ends even if this is before **your** booked return date, or before **your trip** is due to end.

Annual Multi-trip

Cover under Cancelling **your trip** is effective from the start date of **your** policy period as shown on **your policy certificate** or when **you** book a **trip**, depending on which happens last. Once **you** leave **home** to start the **trip**, Cancellation cover for that **trip** ends, while cover under all other sections of the policy begins. If **you** have multiple **trips** booked, Cancellation cover is effective until **you** leave **home** to start each **trip**. If a booked **trip** falls after the date **your** policy is due to renew, **you** must pay the premium to renew **your** policy for cover to continue.

Cover under all sections of the policy apart from 'Cancelling **your trip**' ends:

- At midnight on the end date shown on **your policy certificate** even if **you** have not returned **home**; or
- At midnight of the day **you** reach the policy maximum **trip** duration; or
- When **you** return to **your home** address in the **UK** even if this is before **your** booked return date; or

- Upon **your** admission to a hospital or medical facility in the **UK** if **we** are repatriating **you home** under 'section 9, 'emergency medical expenses'. Cover ends even if this is before **your** booked return date, or before **your trip** is due to end.

Declaring existing medical conditions

This policy does not automatically provide cover for medical conditions **you** are already experiencing when **you** purchase this policy or have experienced in the past. Please review the [Medical Health Requirements](#) and ensure **you** answer the Medical Screening Questions fully and accurately for everyone insured on the policy.

Sums insured and excesses

Each section of the policy has a limit on the amount **we** will pay for each **insured person**, called the [sum insured](#). The amount **we** pay up to varies by level of cover (Core, Extra and Max). Some sections of cover are not available under Core. Claims under most sections of the policy will be subject to an excess, which also varies by level of cover. The sums insured, inner limits and excess amount for each section are set out in the [Table of Benefits](#). Please check the Table of Benefits against **your policy certificate** to ensure the level of cover **you** have purchased meets **your** needs.

Excesses apply for each claim logged with **us**, for each section of the policy **you** are claiming under and for each **insured person** who is making a claim. When **we** are settling a claim directly with **you**, **we** will deduct the excess from the claim payment before **you** receive it. Where **we** are settling claims directly with a medical provider or other supplier, **you** will be responsible for paying **us** the excess.

2. Medical health requirements

This policy does not automatically provide cover for medical conditions **you** are already experiencing when **you** purchase this policy or have experienced in the past. If **you** answer 'Yes' to any of the Medical Screening Questions, **you** must contact **us** and answer a series of further questions regarding **your** health to determine if **we** can provide cover. **You** may have to pay an additional premium for **your** conditions to be covered. Medical Screening Questions

All questions must be answered in full and accurately. If **you** have medical conditions to declare, and **you** fail to contact **us** or answer accurately then **you** are at risk of:

- **Your** claim being declined, and **your** premium being retained, and
- Losing any cover under this policy, or
- **Your** claim not being paid in full.

Please be aware if **you** are answering Medical Screening Questions on behalf of another person to be insured on this policy **you** must be as aware of their full medical record, including any medications they are currently taking and any treatment they are undergoing, as if they are **your** own.

If **you** answer 'Yes' to any of these questions, please contact **our** medical screening service on 0330 123 3690.

Changes in your health after you have purchased or renewed a policy

If **you** experience a change in health such as a new or increased medication, any referral for tests or specialist appointment, or a new diagnosis/course of treatment at any time after **you** bought or renewed **your** policy, **you** will need to re-check whether **you** now answer 'Yes' to one or more of the Medical Screening Questions and if **you** do, contact **us** to check **your** cover. This includes when **you** receive the results of tests/investigations. **We** reserve the right to alter the terms of this insurance based on **your** health changing mid-term. Following **your** medical screening **we** will tell **you** either:

- That **you** can continue to be covered at no additional cost; or
- To continue to be covered **you** will need to pay an additional premium; or
- **We** cannot continue to cover **you**. - Submit a claim under cancellation of **your trip**, for consideration; or
- Ask **us** to cancel **your** policy so **you** can arrange cover elsewhere. If **you** cancel **your** policy, **we** will refund the unused cover, if **you** have not made or are planning to make a claim.

Indirectly related claims

This policy does not cover claims that are directly or indirectly related to an undeclared or incorrectly declared medical condition. An indirectly related medical condition means a medical problem that is more likely to happen because of another medical problem **you** already have. For example, if **you**:

- have high blood pressure, high cholesterol, or diabetes, **you** are more likely to have a heart attack or a stroke.
- suffer from asthma (diagnosed over 50), chronic obstructive pulmonary disease, or other lung disease, **you** are more likely to get a chest infection.
- have or have had cancer, **you** are more likely to suffer from a secondary cancer.

Pregnancy

Pregnancy or medical conditions arising from pregnancy are covered provided **you** will not be more than 28 weeks pregnant by the time **your trip** is due to start (or 24 weeks for multiple births) and a **medical practitioner** or midwife confirms that **you** are fit to travel.

If **you** are confirmed not fit to travel, or if **you** will be more than 28 weeks pregnant at the start of **your trip**, (24 weeks for multiple births), **you** can make a claim under 'Cancelling **your trip**' provided **you** purchased this policy/booked a **trip** before **you** were aware **you** would not be able to travel.

When claims settlements are made by BACS (Bank Automated Clearing System) or other electronic banking system method, **you** will be responsible for supplying **us** with the correct bank account details and **your** full authority for **us** to remit monies directly to that account. Provided that payment is remitted to the bank account designated by **you**, **we** shall have no further liability or responsibility in respect of such payment, and it shall be **your** sole responsibility to make collection of any misdirected payment in the event of incorrect details having been provided to **us**.

8. Trip Disruption sections of cover

This policy offers cover if **your trip** is disrupted by one of the events listed in each section under 'What is Covered'.

You can pay an additional premium and upgrade the base Trip Disruption Cover to include the following:

1. Trip Disruption (including Covid-19, terrorism, natural catastrophe and airspace disruption)

Check **your policy certificate** for the Trip Disruption Upgrade **you** have purchased.

Important information

- **Where to go first for a refund when cancelling your trip.** This policy is designed to provide a refund of **your unused travel and accommodation costs**, at the point **we** are satisfied that these expenses cannot be refunded elsewhere. If **your trip** has been booked or paid for via one or more of the following, **you** must contact them to discuss a refund before claiming from **us**:
 - A Tour Operator.
 - An Airline.
 - Any other travel, accommodation, or service provider.
 - Credit or debit card provider or other payment providers such as PayPal.
- If **you** are unable to obtain a refund at first (**we** consider vouchers as **you** receiving a refund) and **we** assess that **your travel provider** is legally obliged to refund **you**, **we** will ask you to make a reasonable attempt to pursue payment from them before **we** consider **your** claim.
- **Compensation while travelling.** Regulations exist to assist and compensate **you** when delays occur with **air travel**. Regulation EU261, for example, offers protection when **you** are travelling on a European-based airline or with any airline in Europe. Please approach **your** airline as soon as **you** are aware of a delay impacting **your** flight. If **you** miss **your** departure, have problems connecting or need to cut **your trip** short, **you** should also check with **your travel provider** (if **you** booked with a tour operator, the Package Travel Directive, in most circumstances, offers **you** financial/non-financial assistance) to discuss if they will arrange and compensate **you** for onward travel.
- **Essential Travel/Foreign, Commonwealth and Development Office (FCDO) travel advisories.** From time to time the FCDO will advise to only undertake essential travel to a particular

destination. If **your trip** is not essential and **you** choose to travel contrary to the FCDO's advice, **we** will only cover a claim if the cause is not linked to the reason for the advice. This limitation applies even if **you** have purchased an optional trip disruption upgrade. **You** may be able to travel with full cover if **we** authorise in writing that **your trip** is essential before **you** depart. Should **you** wish to request this, please email travelinsurancefeedback@postoffice.co.uk. Please note there is no cover under this policy if other government regulations or actions are in place restricting travel (see Government Restrictions below). If the FCDO have advised against all travel to **your** destination, there is no cover under this policy apart from the 'Cancelling your trip' section in the optional upgrade for Trip Disruption (including Covid-19, terrorism, natural catastrophe and airspace disruption).

- **Knowing your trip would be disrupted.** There is no cover if **you** bought this policy or booked **your trip** (whichever is last) when **you** were aware **your trip** would be cancelled or disrupted. For example, **you** buy a policy/book a **trip** after the FCDO announce against travelling to **your** destination or after the media announce air traffic control are striking at the time **you** will be travelling.
- **Government restrictions.** Apart from the 'Cancelling your trip' base section, there is no cover under this policy where the claim is the result of a regulation, or action of a government restricting travel such as locking down an area, outlawing travel, shutting borders or revoking visas. This exclusion applies regardless of such restrictions not being in place at the time **you** booked the **trip**. This does not include governments putting health checks or medical testing requirements in place. Please refer to the exclusions listed under each section.
- **No Trip Disruption Upgrade cover for UK Single-trip policies.** There is no cover under the optional upgrade Trip Disruption (including Covid-19, terrorism, natural catastrophe and airspace disruption) for UK Single-trip policies. For Annual Multi-trips, if you have purchased the Trip Disruption upgrade, cover for UK-only trips is only available under 'Cancelling your trip' and 'Cutting short your trip'.

Cutting short your trip

Available on Core, Extra and Max

Description of cover

If an emergency listed under 'What is Covered' forces **you** to end **your trip** earlier than **your** original return date, **we** will pay for the following:

- The unused part of **your travel and accommodation costs**.
- Additional **travel and accommodation costs** necessary to get **you home** before **your** original return date.

Up to the [sum insured](#) for this section.

For claims to be valid **you** must contact **us** before making travel arrangements back to the **UK** so that **we** can authorise additional costs to return **home** early.

1. Unused Trip Cost

The costs covered under this section must be pre-paid under contract before **your trip** begins.

We pay for each full 24-hour period not used from the time **you**:

- Start the return journey; or
- go into hospital as an inpatient; or

- are confirmed unable to participate in a pre-planned and pre-paid activity by a **medical practitioner**, provided the activity is the main purpose of **your trip**.

Where **we** are also paying under part 2, 'Additional costs to return home early', **we** will not pay for the cost of **your** unused return flight.

2. Additional costs to return home early

We will pay necessary additional costs over and above the cost of **your** original return ticket, of the same class **you** were due to travel **home** on. There is no cover if **you** had not purchased a return fare at the time **you** cut short **your trip**, or if **your travel provider** transfers **your** original return ticket to a different flight.

In the event that **we** are medically repatriating **you** and **you** have no pre-booked and paid return **trip**, the cost of an economy flight(s) will be deducted from **your** claim.

Important information

- Health of non-travelling people.** **You** may have to cut short **your trip** due to the poor health of an **immediate relative**, **travelling companion** or someone **you** are planning to stay with. For cover to apply **we** require that a **medical practitioner** confirms in writing that when **you** purchased this policy or booked the **trip**:

- The non-insured party was not seriously ill in hospital or receiving palliative care, and
- There was no reason to expect their state of health to deteriorate so much that **you** would need to cancel.
- **Vouchers, credit notes and reward points.**
For **trips** paid by vouchers, credit notes or reward points **we** will pay the face value of the voucher/points, not the advertised value of a **trip**.
- **Contacting us.** If **you** need to return **home** early **you** must contact **us** before **you** travel back (telephone +44 (0) 208 865 3074) so that **we** can authorise any additional travel or accommodation expenses.

- Quarantine Accommodation.** This section will pay a contribution if **you** are unexpectedly mandated to quarantine in accommodation outside **your** home at **your** own cost. This cover only applies if **you** were unable to cut short **your trip** and get back to the UK before the change came into force.

Description of cover

This section covers specified additional costs up to the sum insured if during **your trip**, the UK government unexpectedly changes the Covid-19 testing or quarantine requirements applying to **your** destination impacting **your** entry back into the UK.

9. Medical sections of cover

The following sections provide cover when **you** are receiving emergency medical treatment because of the onset of an illness or injury during **your trip**.

Medical cover does not automatically apply when **you** take part in certain sports and activities. If **you** are taking part in winter sports, **you** must purchase the [Winter Sports Upgrade](#). For other sports and activities please check the 'Sports and Activities' section of this policy on page 54 to see if cover applies.

- Medical health requirements.** This insurance does not automatically provide cover for medical conditions **you** are already experiencing when **you** purchase this policy or for conditions **you** experienced in the past. Please review the [Medical Health Requirements](#) on page 8.
- Emergency cover.** This policy is not private medical insurance; **we** cover treatment which cannot wait until **you** return **home** from **your trip**, with the aim of ensuring **you** are well enough to return to the UK, which may include cutting **your trip** short, or to continue **your trip** as planned.
- Medical treatment.** Cover applies if **you** are receiving medical treatment for a symptomatic illness or an injury. There is no cover if **you** test positive for a disease but require no medical treatment.
- Essential Travel/Foreign, Commonwealth and Development Office (FCDO) travel advisories.** From time to time the FCDO will advise to only undertake essential travel to a particular destination. If **your trip** is not essential and **you** choose to travel despite the FCDO's advice, **we** will only cover a claim if the cause of that claim is not linked to the reason for the advice. This limitation applies even if **you** have purchased an optional trip disruption upgrade. **You** may be able to travel with full cover if **we** authorise in writing that **your trip** is essential before **you** depart. Please note there is no cover under this policy if other government regulations or actions are in place restricting travel (see 'Government Restrictions' below).

If the FCDO have advised against all travel to **your** destination, there is no cover under this policy apart from the 'Cancelling your trip' section.

- Requirement to contact us.** **You** or someone acting on **your** behalf must contact **us** once **you** are aware **you** will be admitted as an inpatient for at least one night's stay. If **you** do not contact **us** as soon as **you** are aware of **your** admittance and this causes **our** costs to increase, **we** will only pay for the costs **we** would have paid if **you** had contacted **us** straight away. Additional transportation or accommodation costs are only covered when they are pre-authorised by **us**. Telephone number +44 (0) 20 8865 3074.
- Outpatient treatment.** If **you** are in SPAIN, GREECE, CYPRUS, PORTUGAL, MALTA, EGYPT, BULGARIA or TURKEY and need outpatient medical treatment, please provide a copy of **your** policy documentation to the treating **medical practitioner** and **your** treatment will be paid by Global Excel Management Europe in line with the policy entitlements. **You** will be asked to fill in a simple form to confirm the treatment. The **medical practitioner** will send the form to Global Excel together with the balance of the medical bill after deduction of the excess **you** may have paid to the **medical practitioner**. The **medical practitioner** can email these details to: eu.client.cc@globalexceleurope.com
- Reciprocal health agreements. Europe:** If **you** are a United Kingdom resident **you** are entitled to state-provided medical healthcare when temporarily visiting countries in the European Union (EU) only. **You** will have access to treatment at the same cost as residents of the country you are visiting. In some countries, state healthcare is not completely free to residents and there may be a cost for **your** treatment. **You** can apply for a GHIC (Global Health Insurance Card) for **yourself**, your partner and any dependent children under the age of 16. **You** can apply online at www.ghic.org.uk. If **we** agree to pay for a medical expense which has been reduced by a value at least equivalent to the excess because **you** have used a GHIC, **we** will not deduct the excess under 'Emergency Medical Expenses and Medical Repatriation'.

- **Australia:** There are reciprocal medical treatment arrangements for United Kingdom nationals travelling in Australia. If **you** need medical treatment in Australia, **you** must enrol with a local MEDICARE office. **You** do not need to enrol when **you** arrive, but **you** must do this after the first occasion **you** receive treatment. Inpatient and outpatient treatment at a public hospital will then be available free of charge or at a minimal cost. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website at www.medicareaustralia.gov.au
